Euphoria Retreat

Mystras Greece

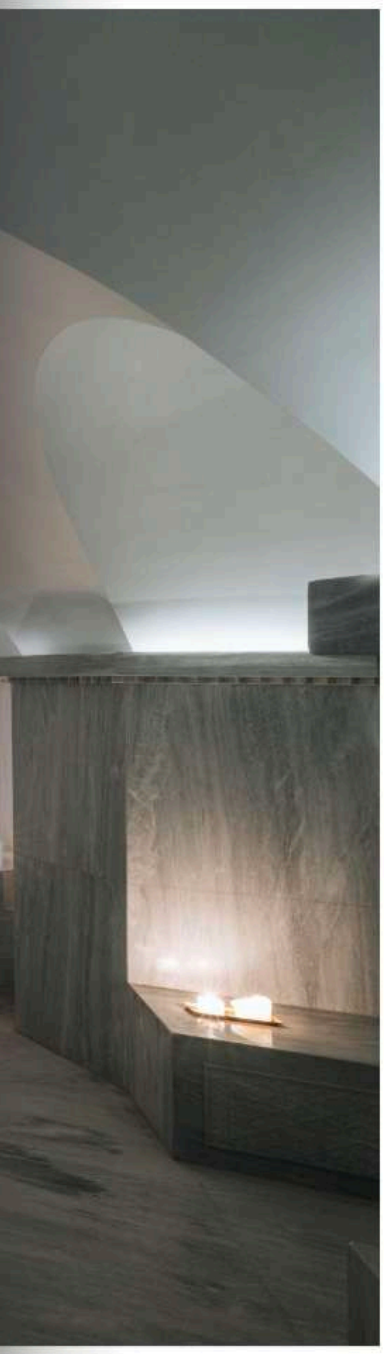
At Euphoria Retreat, you'll embark on a transformative wellness journey amidst the breathtaking landscapes of Greece's Peloponnese region.

In addition to being an architectural gem, Euphoria's signature spa helps guests realign their inner and outer selves — you'll leave feeling rejuvenated and more at peace with who you are and where you are currently in your life path.

The retreat's serene atmosphere, coupled with its renowned facilities and team of experts, ensures a meaningful experience for those seeking a physical, mental, and spiritual reset.

Perched above lush greenery and the enchanting village of Mystras, Euphoria's infinity pool is a physical embodiment of relaxation and inner peace.

Euphoria's extensive list of spa services and wellness treatments gives guests a sense of agency to better care for their well-being.



The resort's renowned spa facilities, spanning four floors, include a cold plunge pool, sanctuary deprivation room, ice fountain, and Finnish sauna, to name just a few.

From the bespoke handmade mattress cradling your body each night to the wonderfully scented products energizing you each morning, every inch of your room has been lovingly thought through.

For guests seeking additional privacy and space, Euphoria offers the refurbished 1830s Leoncini Mansion, complete with a private dining area.
